PALM BEACH POST NOTABLES PLACE OF HOPE BASH BOCA

GL Homes supports Place of Hope's seventh annual Hope Bash Boca to help Palm Beach County foster care children and youth

Place of Hope at The Leighan and David Rinker Campus welcomes guests to gather Under the Palms at its seventh annual Hope Bash Boca on Nov. 2 at the Boca West Country Club in Boca Raton.

Proceeds from the gala benefit Place of Hope's programs and operations.

Place of Hope is the largest residential children, youth and families organization in South Florida, with locations in Boca Raton, Palm Beach Gardens and the Treasure Coast. The faith-based, state-licensed nonprofit provides family-style foster care, safety for domestic minor sexually trafficked victims, transitional housing and support services along with adoption and foster care recruitment and support.

Boca Raton resident Kelly Fleming and the employees of Boca Raton-based National Council on Compensation Insurance Holdings, Inc. (NCCI) will receive the 2019 Jay DiPietro Hero of Hope Award at the gala.

GL Homes, a 2018 Hero of Hope recipient, is a longtime supporter of Hope Bash Boca and the many programs Place of Hope oversees to support children and youth who age out of foster care. GL Homes supports many worthwhile causes throughout Florida and beyond with a particular emphasis on charities that work to break the cycle of homelessness for men, women, children and families.

Join Place of Hope's Under the Palms event for dinner, dancing, music and entertainment with live and silent auctions. The evening includes heartwarming success stories from youth who aged out of foster care and are pursuing higher education and careers thanks to Place of Hope.
