A total of 14 GL Homes executives were divided into two teams - Good and Luck - competed to see which team could make the most meals (penalized for food waste) in two hours. Team Luck made 793 meals and Team Good made 744, with a total of 1,537 meals made for the food insecure. GL Homes also had a surprise donation for Feeding South Florida of \$10,000 that will help make 90,000 meals for the food insecure. **See more Snapshots on page 6.**
