

# GL Homes helps The Lord's Place honor donors and community partners

Wednesday, April 13 - Palm Beach Yacht Club, West Palm Beach

A community partner of The Lord's Place, GL Homes hosted an evening celebrating the generosity of other community partners and supporters of the social impact agency on April 13 at the Palm Beach Yacht Club.

Guests had the opportunity to learn about the new strategic vision of the future of The Lord's Place. Chief Executive Officer Diana Stanley unveiled the rendering of Burekle Place III, a multigenerational supportive housing facility for women that will be the first of its kind in Palm Beach County. Burekle Place III is being built in Lake Worth and is scheduled to open in 2023.

For more than 40 years, The Lord's Place has been working to break the cycle of homelessness for men, women, and children in Palm Beach County through innovative, compassionate, and effective services. It provides supportive and graduate housing at 10 locations; operates social enterprises including three Joshua Thrift Stores, Joshua Catering, and Joshua Treasures; provides job training and placement services, clinical and care coordination, and community engagement services; and has a highly successful reentry program helping men and women transitioning from incarceration.
