

Legal Aid Society GAP clients visit zoo

GL Homes recently organized a visit for the Legal Aid Society's Guardian Advocacy Project clients to the Palm Beach Zoo.

GAP clients range in age from 26 to 32 years old. Many of them aged out of the foster care system and possibly would be homeless, were it not for Legal Aid Society, a nonprofit organization that serves as the health surrogate and legal guardian for these adults.

Since 2017, GL Homes has hosted the Legal Aid Society GAP clients at many interactive activities, including golf lessons, bowling, swimming lessons, cooking classes and equine therapy. Info: www.legalaidpb.org ■
