Habitat receives \$30K furniture donation

Habitat for Humanity of Lee & Hendry Counties received \$30,000 in furniture donation from GL Homes. GL Homes finds creative ways to repurpose furniture and furnishings so nothing goes to waste. Valencia Bonita, a GL Homes community in Bonita Spring, donated approximately \$30,000 of high-quality, gently-used home goods and building materials from its sales office to Habitat for Humanity for Lee & Hendry Counties. From artwork to artificial plants and kitchen cabinets to curtain rods, Habitat for Humanity was provided with over 300 separate items to sell at its ReStores.

Habitat ReStores sell home furnishings, building materials and home improvement items for a fraction of the retail price while diverting reusable, household items from landfills.
