

DONOR RECOGNITION PARTY

Supporters of **Habitat for Humanity of Greater Palm Beach County** were treated to a *Donor Recognition Party* hosted by **GL Homes** at the Palm Beach Yacht Club in West Palm Beach.

As the sun began to set, the guests were greeted with a refreshing assortment of cocktails and delicious hors d'oeuvres. They mingled while taking in the breathtaking view of the Intracoastal Waterway.

This special evening was a chance for Habitat to thank its generous donors who support its mission all year. Thanks to their support, Habitat can continue to help families and individuals achieve the dream of homeownership and build better lives for themselves.

“We are extremely grateful to GL Homes for their unwavering generosity to Habitat for Humanity of Greater Palm Beach County,” said **Jennifer Thomason**, the organization’s President and CEO. “They hosted a beautiful event for our donors, and we appreciate their kindness and continued dedication to our mission and the local community.”

“Habitat for Humanity gets the job done. Our tenets align with Habitat’s core values: build quality houses, promote self-reliance, embrace volunteerism and support communities. Through this thank you event, our goal is to show gratitude to other Habitat supporters so this dynamic nonprofit can continue its mission of empowering families through home ownership.”

Habitat for Humanity of Greater Palm Beach County is a 501(c)(3) organization and an affiliate of a global nonprofit, **Habitat for Humanity International**. Their mission is to bring people together to build homes, communities, and hope. Since 1986, they have built 426 new homes, revitalized 749 existing homes, and partnered with over 1,170 families and individuals in need of safe, decent, and affordable housing in Palm Beach County. Habitat homeowners must qualify for the program, help build their own homes alongside volunteers, and pay an affordable mortgage. Through financial support, volunteering, and shopping or donating to any of the five ReStore-Thrift Store and Donation centers, everyone can empower families to achieve the strength, stability, and self-reliance they need to build better lives for themselves and their loved ones.
