## Federation’s Women in Business Event Draws Dynamic Leaders

More than 50 professional women across all industries gathered together for Jewish Federation of Palm Beach County’s Women in Business Luncheon, as part of its Business and Professionals group. The event was generously sponsored by GL Homes.

The working lunch provided guests an exclusive opportunity to hear from GL Homes Chief Operating Officer Marcie DePlaza, a 33-year veteran of the homebuilding industry who shared her secrets to success in a male-dominated industry. GL Homes Vice President of Community Relations Sarah Alsofrom moderated the inspiring and motivating conversation. The event was chaired by Mindy Steiner Nichols and Lesley Sheinberg.

“GL Homes takes great pride in supporting Jewish Federation of Palm Beach County and empowering women in business by giving our time and energy to make our community a better place,” shared Alsofrom. “It is our hope that the impressive women in attendance found inspiration and received advice they can share with their friends and colleagues.”

Federation’s Business and Professionals group brings together talented local professionals to create a unique impact and lend their expertise to tackle the community’s most critical challenges and priorities.
