GL HOMES EXECUTIVES KICK OFF INAUGURAL SPEAKER SERIES

Boys & Girls Clubs of Palm Beach County invited GL Homes executives to kick off its inaugural speakers series. GL Homes hosted a dynamic conversation followed by a great Q&A session with Boys & Girls Clubs high school students from the Delray Beach and Boca Raton clubs in Delray Beach. GL Homes provided a casual dinner plus a few GL Homes goodies such as phone rechargers and reusable water bottles to the in-person attendees. The teens were most interested in speaking with GL Homes COO Marcie DePlaza, VP/Project Manager Jill Schimming Taddeo, Options Manager Sil Rivera and Senior Director of Community Relations Sarah Alsofrom about job opportunities and career advice.
